

Pharmaceutical

Antivirus:

1. Acyclovir
2. Ribavirin
3. Zidovudine
4. Lamivudine
5. Nevirapine

Antibiotics:

1. Amoxicillin
2. Amoxicillin and Cavulanate Potassium(2:1)
3. Azithromycin
4. Ampicillin
5. Benzathine Benzylpenicillin
6. Enrofloxacin
7. Furazolidone
8. Florfenicol
9. Ciprofloxacin Base/HCl
10. Sulfadimidine Base/Sodium
11. Sulfamethoxazole
12. Sulfamerazine Sodium
13. Sulfadimethoxine
14. Sulfamonomethoxine Base/Sodium
15. Sulfaquinoxaline Sodium
16. Sulfachloropyridazine Sodium
17. Sulfaguanidine
18. Sulfadiazine Base/Sodium
19. Sulfathiazole Base/Sodium
20. Griseofulvin
21. Thiamphenicol
22. Trimethoprim
23. Tylosin Tartrate
24. Clarithromycin
25. Rifampicin
26. Fosfomycin Calcium/Sodium
27. Tilmicosin Phosphate
28. Amikacin Sulfate
29. Kanamycin Sulfate
30. Streptomycin Sulfate
31. Gentamicin Sulfate
32. Neomycin Sulfate
33. Colistin Sulfate
34. Spiramycin
35. Chloramphenicol
36. Meropenem Trihydrate With Sodium Carbonate Sterile
37. Norfloxacin Base/HCl
38. Procaine Benzylpenicillin
39. Cefalexin
40. Cefaclor
41. Cefixime /Cefixime Sodium
42. Ceftriaxone Sodium
43. Cefotaxime Sodium
44. Ceftiofur HCl
45. Oxytetracycline Base/HCl
46. Spectinomycin HCl
47. Doxycycline Hyclate
48. Tetracycline HCl
49. Gatifloxacin HCl
50. Clindamycin HCl
51. Lincomycin HCl
52. Ofloxacin
53. Sulfadoxine
54. Levofloxacin

Antiparasitic:

1. Albendazole
2. Abamectin
3. Praziquantel
4. Dinitolmide
5. Fenbendazole
6. Furazolidone
7. Metronidazole
8. Oxantel Pamoate
9. Pyrantel Pamoate
10. Furaltadone HCl
11. Levamisole HCl
12. Ivermectin

Analgesic-Antipyretic:

1. Aspirin
2. Metamizole Sodium
3. Paracetamol
4. Ibuprofen
5. Indomethacin

Other CNS :

1. Carbamazepine
2. Sulpiride
3. Narcotic
4. Benzocaine
5. Lidocaine HCl
6. Procaine HCl

Cardiovascular:

1. Amiodarone HCl
2. Phenylephrine HCl
3. Enalapril Maleate
4. Irbesartan
5. Lisinopril
6. Valsartan

Antidiabetics:

1. Gliclazide
2. Glimepiride
3. Glipizide

Respiratory :

1. Carbocisteine
2. Bromhexine HCl
3. Ambroxol HCl
4. Guaiacol
5. Guaifenesin
6. Potassium Guaiacol Sulfonate

Used in Digestive :

1. Omeprazole
2. Cimetidine
3. Inositol

Used in Hematological :

1. Heparin Sodium
2. Enoxaparin Sodium
3. 40 Dextran 40 anhydrous
4. Iron Dextran Solution
5. Rutin
6. Diosmin

Used in Urinary :

1. Spironolactone
2. Hydrochlorothiazide

Adrenocortical Hormones :

1. Betamethasone
2. Dexamethasone
3. Fluocinolone Acetonide
4. Prednisolone
5. Hydrocortisone

Others:

1. K30 PVP K30
2. Methyl Paraben
3. Propyl Paraben
4. CMC
5. HPMC

Preparation Products

Non-penicillin and non-Cephalosporin solid preparation:

- | | | |
|---|---|----------------------------|
| 1. Citicoline Sodium Capsules |  | Central stimulant |
| 2. Lamivudine tablets | | anti-HIV |
| 3. Gabapentin Capsules | | antiepileptic |
| 4. Otilonium bromide dispersible tablets | | IBS |
| 5. Otilonium bromide capsules | | IBS |
| 6. Sildenafil citrate tablets | | ED |
| 7. Benazepril Hydrochloride Tablets | | Circulatory System Agents |
| 8. Valsartan Dispersible Tablets | | Circulatory System Agents |
| 9. Enalapril Maleate Tablets | | Circulatory System Agents |
| 10. Irbesartan Tablets | | Circulatory System Agents |
| 11. Indobufen Tablets | | Thrombus |
| 12. Trimetazidine Dihydrochloride Modified
Release Tablets | | Angina |
| 13. Valsartan and Amlodipine Tablets | | Hypertension |
| 14. Voglibose Tablets | | Postprandial hyperglycemia |
| 15. Omeprazole Enteric-coated Capsules | | Digestive System Agents |

Cephalosporin solid preparation

- | | |
|---------------------------------------|------------|
| 1. Amoxicillin Capsules | Antibiotic |
| 2. Clindamycin Hydrochloride Capsules | Antibiotic |
| 3. Cefixime Tablets | Antibiotic |
| 4. Cefuroxime Axetil Tablets | Antibiotic |
| 5. Cefalexin Capsules | Antibiotic |
| 6. Cefadroxil Tablets | Antibiotic |
| 7. Cefradine Capsules | Antibiotic |

Cancer product

- | | |
|------------------------------------|--------------------------------|
| 1. Imatinib Mesylate Tablet | Ph+CML,GIST |
| 2. Erlotinib Hydrochloride Tablets | NSCLC |
| 3. Gefitinib tablets | NSCLC |
| 4. Sorafenib tosylate tablets | Renal cell cancer,Liver cancer |
| 5. Bortezomib for Injection | MM |

Lyophilized powder for injection

- | | |
|--|---------------------------|
| 1. Esomeprazole sodium lyophilized for injection | gastroesophagealreflux |
| 2. Bivalirudin lyophilized for injection | Asthma |
| 3. Fructose Diplosphate sodium | Heart function complement |

ARPAPHARM

Non-penicillin and non-Cephalosporin Powder for Injection

- | | |
|--|------------------------|
| 1. Rifampicin for Injection | Tuberculosis |
| 2. Doxycycline Hydrochloride for Injection | Microbial infections |
| 3. Meropenem for Injection | Antibiotic |
| 4. Lansoprazole for Injection | DU with bleeding |
| 5. Capreomycin Sulfate for Injection | Pulmonary tuberculosis |
| 6. Parecoxib Sodium for Injection | Post-operative pain |

Cephalosporin Powder for Injection

- | | |
|---|------------|
| 1. Cefoperazone Sodium and Tazobactam Sodium for Injection | Antibiotic |
| 2. Amoxicillin Sodium and Flucloxacillin Sodium for Injection | Antibiotic |
| 3. Flucloxacillin Sodium for Injection | Antibiotic |
| 4. Aspoxicillin for Injection | Antibiotic |
| 5. Cefozopran Hydrochloride for Injection | Antibiotic |
| 6. Cefotetan Disodium for Injection | Antibiotic |

Small Volume Injection

- | | |
|--|------------------------------|
| 1. Hydroxyethyl Starch Sodium Chloride Injection | Generation of plasma |
| 2. Ambroxol Hydrochloride Injection | antitussive |
| 3. Doxofylline Injection | bronchial asthma |
| 4. Vinpocetine Injection | Cerebral infarction sequelae |
| 5. Atenolol Injection | AMI |
| 6. Acetylcysteine Injection | hepatic failure |
| 7. Flumazenil Injection | Termination of anesthesia |
| 8. Levocarnitine Injection | Cardiomyopathy |
| 9. Ropivacaine Injection | Anesthesia |
| 10. Ornithine Aspartate Injection | Hepatic encephalopathy |
| 11. Oxiracetam Injection | Cardiovascular |
| 12. Ibuprofen Injection | Antipyretic-analgesic |

Suppository

- | | |
|--------------------------------|------------|
| 1. Clotrimazole Suppositories | Antibiotic |
| 2. Metronidazole Suppositories | Antibiotic |
| 3. Nonoxinol Suppositories | Antibiotic |
| 4. Terconazole Suppositories | Antibiotic |
| 5. Tinidazole Suppositories | Antibiotic |
